

A Message to Our Valued Customers

As we are all navigating the 'new normal' in these uncertain times, COVID-19 updates and protocols are continuously changing; consequently, due to these circumstances, we will be limiting access to our banking center lobbies. The health and safety and our employees, customers and communities we serve is priority.

Lobby Closings: All bank lobbies will be closed until further notice. Entrance into a bank lobby will be by appointment only. If you need to meet with a Peoples Bank representative or access your safe deposit box, please call (888) 445-BANK, we will accommodate your request and make the necessary arrangements.

Drive-thru and Window Service: Drive-thru and window service will remain open at all locations.

ATMs & Online Services: Our ATMs will remain available 24/7. We strongly encourage you to utilize our convenient online banking services at [peoplesbankofky.com](https://www.peoplesbankofky.com).

- Manage your checking/savings
- Electronic Bill Pay
- Online Deposit Applications
- Mobile Capture
- Online Loan and Mortgage Applications

As we continue to monitor this situation, we will strive to accommodate all your banking needs without interruption. If you have any questions or need further assistance, please call

(888) 445-BANK 8:30 a.m. – 4:30 p.m.

Our best wishes for your continued health and safety. Thank you for choosing Peoples Bank of Kentucky!
